

REACH Compliance Certificate

RODAN Technology herby certifies that, in conformity with the European Directive 1907/2006/CE about the regulation on Registration, Evaluation, Authorisation and Restriction of Chemicals, its products are REACH compliant.

RODAN Technologies supports the goals of REACH, which are consistent with our own commitment to promote the responsible manufacturing, use, and handling of chemicals. This revised REACH statement from RODAN Technologies incorporates the 173 substances now on the SVHC list.

RODAN Technologies does not produce chemicals substances, and no substances are imported from outside of the EU. Therefore, all our business partners to give us sufficient guarantees that the materials and products used in manufacturing of cable and connectors are and will be registered according to the REACH Directive.

RODAN Technologies is reviewing the Candidate List (SVHC) regularly to continuously ensure REACH conformity.

Since REACH is a legal requirement, which we fulfil, we do not recognize the necessity to answer further forms or documents to this subject.
