

REACH Compliance Certificate

RODAN Technologies hereby certifies that, in conformity with the European Directive 1907/2006/CE about the regulation on Registration, Evaluation, Authorisation and Restriction of Chemicals, its products are REACH compliant.

RODAN Technologies supports the goals of REACH, which are consistent with our own commitment to promote the responsible manufacturing, use, and handling of chemicals.

RODAN Technologies does not produce chemical substances, and no substances are imported from outside of the EU. Therefore, all our business partners to give us sufficient guarantees that the materials and products used in manufacturing of cable and connectors are and will be registered according to the REACH Directive.

RODAN Technologies is reviewing the Candidate List (SVHC) regularly to continuously ensure REACH conformity.

The Candidate List (191) dated 27 June 2018, the Authorisation List, and the Restricted Substances List are available at www.echa.europa.eu.

RODAN Technologies will continue to monitor the developments of REACH and is committed to meet our responsibilities as an environmentally-responsible company.
